# About ...

## North Shore Child & Family Guidance Center

North Shore Child & Family Guidance Center is the pre-eminent not-for-profit children's mental health agency on Long Island. Dedicated to the emotional well-being of children and families, North Shore Child & Family Guidance Center leads the way in diagnosis, treatment, prevention, training, parent education, and advocacy.

### The Achievement Luncheon

North Shore Child & Family Guidance Center celebrates achievement. Through our high quality mental health services, our innovative special programs, and our advocacy for children, youth, and their families, we support and applaud those community leaders and activists who achieve far beyond the norm. At the Achievement Luncheon each year we honor individuals and organizations who exemplify the highest potential in all of us.

The Achievement Luncheon has special significance because it allows us to provide information about our Center to individuals and corporations. Through this event we hope to activate and focus new friends to help support the services of the Guidance Center. There are many opportunities to become involved. Whether as a volunteer, tutor, financial supporter, or a member of one of our Advisory Councils, we hope that you will take a moment to consider joining us in this important work. The members of our Business Advisory Council serve as the Center's ambassadors to the greater metropolitan area business community.

**A SPECIAL REQUEST:** Please bring donations of gift cards to stores that carry arts & crafts materials and toys to the luncheon. These types of items will be used in play therapy for the children at Right from the Start.
