

SUPPORT GROUPS

for

CHILDREN & ADOLESCENTS

North Shore Child & Family Guidance Center offers free support groups for teens and pre-teens that have a parent who has been diagnosed with breast cancer.

Our groups are led by professional social workers and are designed to provide peer support for teens and pre-teens, to help them with their day-to-day functioning. Interaction with other children in similar situations reduces a young person's feelings of isolation.

Groups are forming now and will meet throughout the year. Call for a pre-group family meeting with our counselors. To enroll, or for further information, please call Michelle Spataro, LCSW, at (516) 626-1971 ext. 354, or Bruce Kaufstein, LCSW, at ext. 316.

This program will be provided at no charge.
